Course: An out and back approximately 11.4 miles distance over mostly flat terrain with some rolling hills. The course is on the East service road between exits 288 and 281.

Traffic Plan, Parking and Marshall Locations

1. All parking will be off the sides of West Frontage road and on Buckeye Road. Drivers will be directed to park as far to the side as possible. Only one side of the road will be available for parking. Signs and marshals will direct vehicles and assure parking is safe and in the designated areas.
2. Certified flaggers will be stationed along the course as indicated.
3. A PVH ambulance is stationed on top of a hill near the start as shown.
4. Signage (Race Ahead) as indicated.
5. The start and finish lines are separated to assure safety for the participants and for least impedance to vehicles on the road.
6. The roads are open to traffic.
7. Racers are directed to ride as far to the right as practicable.
8. The USAC Officials will also be present to assure that the course is safe.
9. At least one motorcycle official will be traveling the course.
10. Two certified flaggers control traffic at the turn-around, one at the Start-Finish and one at the single intersecting gravel road.
11. Communications will be augmented by standard FRS line of sight radios.
12. Cell phones/ radios will be used for any special communications
