

Druids & Dragons 2021

Rules and Information

Rules

For the safety of all people involved, the following rules must be observed while participating in Druids & Dragons. *These are in addition to all rules for the campground.*

We do not have exclusive access to this event or areas therein.

Please be respectful of others who use the park, especially the launch ramp next to the pavilion.

- Alcohol will not be served by the event.
- You may not bring your own alcohol to official event functions.
- The campground itself has a limit of 3.2% alcohol and a prohibition on glass containers or kegs which must be observed at all times.
- No tents in excess of 700 square feet are permitted.
- Swimming and boating are not permitted. *If you choose to participate in those activities, you are doing so on your own accord and not as part of the event.*
- **Limits of 8 persons and 2 cars per campsite will be strictly enforced.**

Fire Safety

- You may not cook inside a tent. If you do cook, you must use a grill or the fire pit.
- *If there is a fire ban*, it will prohibit the use of open fires (not inside a ring) and smoking, among other things.
- All fires must be extinguished fully and completely before you leave your campsite and they cannot be left unattended.
- You must have sufficient water at your site to extinguish any fire that you start before you start the fire.

Badges

- **Your badge must be worn at all times.**
- All badges entitle you to register for games on any day of the event and play in games if there are openings left even if you did not register. The colors of the badges and their associated days determine which nights you may stay at a campsite; **they are not limits on the days you may participate.**

Parking and Vehicles

- You may not park your car or set up a tent in such a way that it limits access to the roads, even the drive in portions of the campsite that you are stationed at.
- Each campsite is limited to 2 cars. You may only park at your own campsite.
- There may be additional parking available at the campground but it is not guaranteed.
- **You are responsible for paying the park entry fee for your vehicle.**
- **These can be purchased when you enter the park at a rate of \$9/vehicle/day.** Annual permits are available from Larimer County directly on their website where various discounts are available based on residency, disability, age, income, and veteran status <https://www.larimer.org/naturalresources/parks/permits>

Emergency Contacts

In the event of emergency, several people are available to contact.

- First, every table running a game will have a Dungeon Master (DM) who you can contact in case of an emergency. They are identifiable based on having a badge that indicates they are a DM so you can talk to them when in need of assistance.
- **Second, there will be an admin table set up throughout the event, located at site E20**, which will have at least one person stationed at it.
- Outside of the hours of games, you should contact the event organizer, Dustin Hatchett, if you are in need of emergency assistance. When not running games or the admin table, he is located in the tent site E20.
- There will be a first aid kit at the admin table during hours that games are being run and at campsite E20 outside of those hours.

Based on prior experience, cellular service covers almost all of the campground.

As a result, efforts to contact 911 will be made if necessary.

Dog Policy

- If you wish to bring a dog to the event, you must sign a waiver and turn it in at the admin tent.
- People with a dog have to follow all rules laid out in that waiver as well as all relevant laws.

Open Gaming Spots

- If you are not present at your spot when your DM wants to get started (provided that it is after the listed start time), your spot is forfeit and any other player may be seated there at the DM's discretion.
- If you would like to sign up for a spot that is not indicated on your badge, you should sign up at the admin table to indicate that you are interested.

Event Map

- **The check-in location is at Site E20.**

Map still being created as of 03/09/2020

Dog Waiver

I, _____, agree that I will assume all liability for physical, mental, or emotional harm associated with anyone at Druids & Dragons Event by my dog(s) directly or indirectly.

This assumption of liability persists in perpetuity, should the proximal cause of the harm occur during the event.

I further agree to abide by park rules and instructions given to me by park officials, members of Shiny Garden, Rocky Mountain Games or DMs running events at the Druids & Dragons Event regarding my dog(s).

This includes a restriction that dogs must be on a leash of no more than 10 feet at all times they are not inside a tent or RV.

Finally, I agree that I will clean up after any mess made by my dog(s) that could interfere with the enjoyment of Druids & Dragons Event if requested to do so.
