Larimer County
Risk Management

Re: Application ID: 7192 : Instigate Entertainment

Dear Risk Management:

Applicant is aware of the insurance requirements and the need to add Larimer County as an additional insured and certificate holder. The cost of a special event policy for the type of event contemplated in the Application will be in excess of \$50,000.00 and a policy of this sort can't be bound until the premium is paid and a permit has been issued. Applicant understands that having proper coverage and a COI evidencing the same will be a condition associated with the permit. As soon as the County issues the permit, Applicant will pay the premium and bind the policy. It would be a hardship to require an Applicant to spend \$50,000+ to insure an event that has yet to be approved.

If you have any questions, please do not hesitate to contact me.

Regards,

Jess L. Gries
