Re: Application ID: 7192 : Instigate Entertainment

Dear Risk Management:

I just spoke with our insurance agent and they can bind a policy without the issued permit; but, not without the premium payment, which is substantial. In the past we have been able to more an application forward without the COI with the understanding that a final permit can't be issued until the COI is provided. Is that no longer possible?

If not, can you let me know which County Attorney I should contact to work through this (or an alternate staff member)? I'm sure we can figure it out.

Also, is posting a new letter like this to the system the preferred way of communicating?

Thank you for your quick response to my last letter.

Regards,

Jess L. Gries
